Profile

I am an Eagle Scout. I have created two applications for the Apple AppStore, a number of modifications for unrestricted iOS devices, and a couple websites. Currently, I'm a senior attending Johnson and Wales in Providence, RI. I have completed a degree in Computer Programming and I am pursuing a degree in Software Engineering.

Experience

IOS SOFTWARE ENGINEER, JOHNSON & JOHNSON; PROVIDENCE, RI - SUMMER OF 2017, WINTER OF 2017

I developed and programmed various iOS apps through the Agile planning process.

GENIUS BAR, APPLE; PROVIDENCE, RI - WINTER OF 2015, WINTER OF 2017

I diagnose and fixed iOS devices at the Apple Retail store. I started in sales and was quickly promoted to the Genius bar.

BARISTA, STARBUCKS; PROVIDENCE, RI - SUMMER 2015, WINTER 2015

I made drinks, worked the cash register, and prepped food at the JWU Starbucks.

COOK & PREP KITCHEN STAFF, STEW LEONARDS; DANBURY, CT – SUMMER OF 2015

I worked in the outdoor restaurant cooking and preparing various foods.

LIFE GUARD, CANTERBURY HIGH SCHOOL; NEW MILFORD, CT – 2012, SUMMER OF 2014

I was the life guard at morning swim on Monday, Wednesday, and Friday before school, also when requested for special events.
